Dear Ms Donohue,

### **Please provide more information about your complaint**

On 30<sup>th</sup> March 2017 we received your complaint against the Met Police. Your complaint was recorded under our reference as above.

Following my assessment of your complaint, I believe that it does not need any more investigation because it is repetitious. My reasons for finding this are that it is identical to a complaint already being dealt with under PC/6075/16

To be able to investigate your complaint further, I need you to send me more information to show why it is not repetitious. You need to do this within 28 days from the day after the date of this letter/email - the 28th day is 01/06/17. Please send the information, in writing, to the post or email address shown above quoting our reference above

I will consider any information you send, before making my final decision as to whether or not to continue investigating your complaint. If you do not send any information or if the information you send does not change my view of your complaint, I will apply to *disapply your complaint*. If agreed by the Chief Inspector, your complaint will be closed and I will not be investigating it any further.

You can find more information about our complaints process on the Independent Police Complaints Commission website: [www.ipcc.gov.uk](http://www.ipcc.gov.uk)

In the meantime, if you have any queries please let me know.

Yours sincerely,

Sergeant Robert Grey
